Dear Parent

We have been informed that Mrs Harbinson, our Crossing Patrol at the junction of Newry Street and Dromore Street, will be off for some weeks from the beginning of next term.

As the school has no control over the appointment of school crossing personnel, I have contacted Transport in the Education Authority to request a temporary replacement for this position.

As a result, EA have now agreed to consider a temporary replacement for this position. However, the individual providing this cover will need to be Access NI checked and trained by EA before they can begin.

If you know of anyone who might be interested in taking up this temporary position, please contact the school office.

It is unlikely that this arrangement will be in place for the start of term. Please reinforce to your child the need for extra care until the replacement patrol is put in place.

We will continue to liaise with EA to get the replacement patrol in place as soon as possible, but please understand that the appointment and training process lies beyond our control.

Yours sincerely

S. Carlisle
Principal
